Special gifts to treasure

Authentic souvenirs and unique mementos from a city's top landmarks and attractions — that's the idea behind Hudson's award-winning Discover concept.

In New Orleans, that means everything from traditional Mardi Gras masks and collectibles to trendy fashions straight from the French Quarter, presented in an irresistible setting.

Discover Theme Shops: celebrating good times in airports across the U.S. and Canada.

For information on how to bring this exciting concept to your airport, contact:
